MEMORANDUM FOR: Assistant Director, Operations

SUBJECT: Inter-Office Correspondence

This Office is concerned as always with dealing with the Assistant Directors on all matters in which we are involved. Under certain circumstances, of course, persons in this Office will be dealing with persons on the Division level within the Office of Operations, where such contacts are of value in laying the groundwork for policy matters which will later be formalized on the Assistant Director level.

JAMES Q. REEBER
Acting Assistant Director,
Intelligence Coordination
